

Strengthening Nursing & Health Workforce Education at ABVMUUP

Atal Bihari Vajpayee Medical University and Jhpiego India have come together through a Joint Implementation Plan to advance competency-based, digitally enabled Nursing and health workforce education in Uttar Pradesh.

Envisioned as a system-level partnership, this collaboration aims to strengthen the quality of nursing education and enhance workforce preparedness across the state. Key focus areas include competency-based education, faculty excellence, simulation and VR-enabled learning, and the development of modular and lifelong learning pathways.

These efforts are supported by data-driven quality improvement, robust academic governance, regulatory alignment, and a strong emphasis on institutional sustainability.

This partnership reflects a shared commitment to modernizing education systems and building a future-ready, resilient health workforce for Uttar Pradesh.
